

PHYSICIAN TELLS JURY OF PLEDGE HE MADE HAMON

Said Hamon Pledged Him to Secrecy Except in Court

WIDOW AND ACCUSED BOTH SHED TEARS

(By The Associated Press) ARDMORE, Okla., March 11.—Clara Smith Hamon, on trial charged with the murder of Jake L. Hamon, late Republican national committeeman today returned to the hotel rooms occupied by herself and Mrs. Hamon and in the presence of the jury rearranged the furniture as it was on the night of the shooting when the pro-Oklahoma man was fatally wounded.

A short time later when taking of testimony was resumed she heard the statement of Dr. Walter Hardy that Hamon had come to his sanitarium with the declaration, "I'm shot by Clara Hamon."

A subsequent statement of Hamon's to the effect that he was shot while lying in bed was also quoted by Dr. Hardy. The doctor said Mr. Hamon staggered toward him, pale, and kissed him on the forehead. In reply to the physician's question, he said, "I told you she would do it. I'm going to die. I am weak and I want to go to bed."

Go to Hotel Room. Accompanied by Sheriff Garret and Clara Hamon, the jury left the hotel where Hamon was shot first inspecting the room occupied by the woman and joined by a connecting door to that occupied by Mr. Hamon. Clara Hamon arranged the furniture and effects as near as possible to the location on the day of the shooting. It was noticed that only by extreme effort did she maintain her composure, dropping into a chair just as soon as she had completed the few changes.

A development regarded as important was the statement of Dr. Hardy on the stand that Jake L. Hamon was found to have been suffering from cirrhosis of the liver when he was operated upon for the bullet wound and did not have lived two years longer. The doctor also testified that Clara Hamon is suffering from a serious malady from which she probably cannot recover. Dr. Hardy declared Hamon said, referring to Clara Hamon, "she is the woman who did the business. She got me while I was lying in bed just about as I am now."

Hamon Asks Pledge of Hardy. Telling of how he cared for Mr. Hamon when he came to the sanitarium, Dr. Hardy quoted an admonition of Mr. Hamon.

"Doctor, take my right hand. I want you to promise me you will never reveal how I was shot, except in open court."

An Attorney General Freling played the bloody underclothing Hamon had worn and a gown which was placed in a hospital. Hamon and Clara Hamon, the widow alone, Dr. Hardy said the hole in the undergarments and shirt corresponded to the wound; that the garments looked just the same.

Jake L. Hamon was unable to compose himself, and her son, 19, sobbed, from the witness room. It was the first time Mrs. Hamon had seen the garments. Previous statements by Hamon's friends indicated they had been burned.

Dr. Hardy said after the operation Hamon rallied and had the use of his faculties. He said Clara Hamon came to the hospital the next morning and she was permitted to see Hamon.

She did not stay more than ten minutes, maybe three," he said. After Clara left, Hamon said he was going to die, the doctor said.

Dr. Hardy said the bullet which killed Hamon entered between the eighth and ninth ribs and lodged four inches lower, the back, penetrating the liver. On Thursday, after Hamon was on Sunday, all indications intimated to a change. His condition gradually grew worse, with stomach and kidney functions failing until he died the morning at 7 a. m., he said.

HAMON LEFT LARGE ESTATE Oklahoma City, Okla., March 11.—Jake L. Hamon had a net estate in Oklahoma of approximately 200,000 debts and inheritance deducted, according to the report of N. W. Gore, assistant state auditor, made public today. Mrs. Clara Hamon and the two children received \$100,000 each from the estate in Oklahoma, the report says.

HAS MADE GOOD RECORD Without Seymour, forward on Franklin High School basketball team, has made an exceedingly good record this season. During the season the Franklin team has won 20 games and lost 10. No other player in the tournament is able to beat the record.

PRESIDENT HARDING AND CABINET HOLD THREE HOUR SESSION

Threatened Strike and Shipping Board Occupied First Attention

FEW DECISIONS WERE REACHED

(By The Associated Press) WASHINGTON, March 11.—Many problems of department organization together with various pressing questions of public policy were discussed by President Harding and his cabinet today at a three hour meeting. The threatened strike of packer employees and the selection of a new shipping board are understood to have occupied first attention and after they had been put aside the president asked each secretary to report conditions in his department as they revealed themselves during the first week of the new administration. The replies started several extended discussions so prolonging the session that Mr. Harding took the members of his official family to lunch with him in the white house.

It was said that few decisions were reached, most of the discussion being of an informative nature. Reorganization plans to be inaugurated soon are understood to have been touched on only incidentally, the cabinet members agreeing that steps of that kind should wait until they had more fully familiarized themselves with general conditions.

SECRETARY DAVIS OFFERS TO MEDIATE PACKING TROUBLE

Message Offering Services Sent to Packers and Employes

TEXT OF TELEGRAM IS GIVEN OUT

(By The Associated Press) WASHINGTON, March 11.—The services of the department of labor in settlement of the controversy between packing house employes and the packing concerns growing out of proposed wage reductions were offered in telegrams sent tonight to the unions and packers by Secretary of Labor Davis.

Secretary Davis who dispatched the telegram after a conference with President Harding also requested the packers and the employes each to designate two representatives to meet with the department of labor agents in an attempt to readjust the dispute, which threatens to develop into a strike.

The telegram sent to Dennis Lane, secretary of the Amalgamated Meat Cutters and Butcher Workmen at Chicago, which was practically identical in text with the one sent the five big packers said:

Text of Message. "The government is deeply concerned about the maintenance of industrial activities in fullest understanding and hopes there will be no interruption of the continuity of employment in the great packing industries. If the department of labor can be helpful in promoting understanding and can aid in any way to avoid the cessation of operation such assertions will be given most gladly."

"The whole problem of industrial adjustment is of such widespread public concern that the department of labor, with the knowledge of the departments of agriculture and commerce, requests that two representatives of labor in the packing industry will report to this department to make possible such inquiry into the situation as may prove helpful in leading to a just and satisfactory solution."

ALLEGED MURDERER HELD WITHOUT BOND KANSAS CITY, Mo., March 11.—Denzel Chester alleged slayer of Miss Florence Barton, society girl, was bound over to the criminal court for trial on a charge of first degree murder at the conclusion of his preliminary hearing here today.

Chester was held without bond.

The announcement by Justice George came after Howard Winter, finance of the slain girl, repeated his identification of Chester as the man who fired the shots that ended Miss Barton's life and wounded Winter.

MISSOURI MAY HAVE STATE FLOWER Jefferson City, Mo., March 11.—Missouri probably will have an official state flower, after years of legislative effort and earnest debate. Today the senate voted enrolling of two bills, one designating the daisy and the other naming the red haw as the state's botanical emblem. It was agreed to pass one or the other when they came up for third reading.

VETERAN OF CIVIL WAR PASSES AWAY Mt. Sterling, Ill., March 11.—Captain J. E. Kerr, 73, a veteran of the Civil War, died here today. Captain Kerr has been in charge of LaGrange locks on the Illinois river, near here, for the past 40 years, and was well known in river circles.

RAILROAD RATE HEARING OPENS AT WASHINGTON

Supreme Court to Pass on Question of State Rights

FORTY THREE STATES UNITED IN THIS CASE

(By The Associated Press) WASHINGTON, March 11.—Authority of the Interstate Commerce Commission under transportation act to supervise railroad rates within states was denied and upheld in opening arguments today before the Supreme Court on the test case brought by the state of Wisconsin. Attorneys for Wisconsin and 42 states joining in the proceedings, declared the construction placed on the transportation act by the commission in exercising control over state rates to be destructive of our dual form of government and contrary to the spirit of our constitution, and to amount to unified control over commerce.

Council for the railroads, in upholding the commission's authority, declared the states which have refused to approve rate increases to the level of interstate rates as ordered, "not only are injuring interstate commerce, but are claiming an unfair advantage of their sister states, who have acquiesced liberally in the public interest."

Nine Hours for Argument The 43 states are attempting to obtain an order vacating the injunction granted by the federal courts to the Chicago, Burlington & Quincy railroad, preventing any interference with that establishment increased freight and passenger rates in Wisconsin, as authorized by the commission.

The importance attached to the case was illustrated when the court allowed nine hours for argument. M. B. O'Brien, special counsel for Wisconsin, who opened for the appellants, barely concluded his presentation of the case today.

The order of the commission affecting state rates, Mr. O'Brien argued, was based solely on the ground that state rates below interstate tariffs amounted to discrimination against interstate commerce, and the order, he added, could not be sustained on this basis, since supervision of strictly interstate commerce was expressly reserved to the states under the constitution.

Section 15-A of the transportation act under which the commission presumed to act, he said, did not provide for "unified control of commerce, but merely prescribed a rule of rate making and valuation to be followed in the exercise of pre-existing jurisdiction over transportation in interstate commerce."

C. P. & Q. Attorney Heard Bruce Scott, general solicitor of the Burlington, opened for the carriers, but had barely begun when the court adjourned until Monday.

"Unless the commission can right these wrongs," Mr. Scott said, "the purpose of congress to assure adequate transportation will be thwarted."

Chief Justice White assured counsel that the court appreciated the importance of the issue and would give every moment it could spare to leading the case.

PRISON BOOKKEEPER HELD UNDER BONDS (By The Associated Press.) MARQUETTE, Mich., March 11.—Alfred West, Marquette prison bookkeeper, arrested last night charged with defalcation of approximately \$12,000,000 of prison funds was today being held under \$10,000 bonds for trial in May in circuit court, deposited with Alton T. Roberts of the prison board of control, securities valued at approximately \$15,000 to guarantee the state from loss.

The total amount missing cannot be termed for several days, because auditors going over the books say West did not leave a complete record of his transactions. Some accounts were noted on memorandum sheets which cannot be found.

DECATUR CITIZENS BUY WATER BONDS DECATUR, Ill., March 11.—Decatur this week hung up a record for other cities to strive for when in a campaign of less than five days subscription its citizens oversubscribed by more than \$100,000 the \$100,000 worth of stock of the Decatur water supply company.

The citizens' committee in charge of the drive announced this afternoon at four o'clock that the total of securities sold stood at \$111,620.

WARASH WILL CUT WAGES OF LABORERS St. Louis, March 11.—The Warash railroad today issued an announcement that notice of a proposal to reduce wages next month has been served on its 3,500 unskilled laborers. A conference of officials of the road and representatives of the employees probably will be held here next week to discuss the subject, it was added.

SPRINGFIELD HIGH WINS FROM FRANKLIN GOES TO SEMI-FINALS

Had Narrow Escape With Franklin Five, Winning Game by One Point—Seymour Nearly Equal to Entire Springfield Team—Looks Like Springfield and White Hall

TODAY'S GAMES

9:00 a. m.—Springfield vs. Athens. 10:00 a. m.—Chapin vs. New Berlin. 2:00 p. m.—White Hall vs. Bluffs. 3:00 p. m.—Winner of game 13 vs. winner game 14. 8:00 p. m.—Championship game between winners of game 15 and game 16.

Springfield High had the game of her young life Saturday afternoon when she played Franklin High and won by a score of 21 to 20. By this win Springfield went to the semi finals, playing the opening game at 9 o'clock this morning with Athens.

The Springfield-Franklin game was fully as exciting as that played by Jacksonville and Springfield. The capital city lads evidently believed they had an easy game ahead but their minds were disabused a few minutes after play began. When Seymour got warmed to his work it took the entire Springfield team to stop him and even then they were unable to prevent him from breaking thru and putting over several ringers.

As in the Jacksonville game Springfield took time out when Franklin got to scoring and rested up and incidentally, the Franklin men got cold and were unable to speed up for several minutes when play started again. As it was the game was full of thrills and the spectators were kept in a turmoil of excitement as first one team and then the other took the lead.

Each team made nine field goals and Springfield won by getting one more free throw than Franklin. Taken in the main Franklin played better basketball than Springfield and carried the fight to her opponent most of the time. Had Franklin had more than a two man offense they would have walked on Springfield's neck.

Franklin really tossed the game to Springfield in the last few minutes play when they scored a basket and took the lead. If she had played safe they probably would have won. But they tried to make another basket and let Springfield get the ball with the result that they put over a field basket and made a free throw giving them the game by one point.

Some Mediocre Games Played. Aside from the Springfield-Franklin tilt the games with the exception of the White Hall-Vermilion game were rather tame. While the scores were close the playing was not of much class and the teams were unable to locate the basket with any regularity.

An example of this was in the New Berlin-Ashland game which the former won by a score of 26 to 2. Ashland never made a field basket during the entire game, her two points coming as the result of free throws.

In the Bluffs-Vermilion game the last one played Friday night the score for ten minutes resembled a baseball game, neither team scoring a basket until nearly ten minutes had gone by. In fact it began to look as the Virginia would never score a field basket but she finally broke the ice in the second half and then came nearly defeating Bluffs, the final score being 24 to 21.

In the Waverly-White Hall game both teams started off at top speed and kept up the pace throughout. However, White Hall displayed better team work and also was better at shooting than Waverly. White Hall's guards did some excellent work and Waverly was compelled to shoot from a long distance most of the time.

It must be said of White Hall (Continued on Page Four.)

STOLEN BONDS SELL AT REDUCED PRICES NEW YORK, March 11.—Discovery today that a block of stolen Liberty bonds worth \$50,000 had been sold for half that price caused District Attorney Lewis of Kings county, who is conducting an investigation into an alleged bond ring to express the opinion that such transactions had forced down the regular market price of Liberty bonds during the past two years.

He said he believed the greater part of stolen Liberty bonds had been sold at greatly reduced prices and that owing to the large number stolen this would materially affect the price in legitimate transactions.

SANTA FE RAILROAD ANNOUNCES NEW SCALE Topeka, Kan., March 11.—Notice that the Santa Fe railroad has approved a wage of thirty cents an hour for all unskilled labor was posted today. The notice, signed by C. C. Fox, general manager requests the concurrence of the employees in the wage reductions and says a conference with representatives of the workmen will be held March 24.

The notice explains that thirty cents an hour is set as the proposed minimum on which to base negotiations. Unskilled laborers on the Santa Fe now receive from 45 to 53 cents an hour.

GERMAN ENVOYS RECEIVE VOTE OF CONFIDENCE London, March 11.—Dr. Walter Simons, the German foreign minister, and the other German envoys to the London conference have received a vote of confidence from the German cabinet, and it is not considered that there is any danger of a governmental crisis, this despite the criticisms made at the sitting of the foreign affairs committee, during which Hugo Stinnes, the capitalist, attacked in violent terms, not only Dr. Simons, but the entire cabinet, says a dispatch to the London Times, from Berlin.

JAPAN DEFENDS POSITION AS TO ISLAND OF YAP

Reiterates Claim of Authority from Supreme Council

INSIST NO SPECIAL URGENCY EXISTS

(By The Associated Press) WASHINGTON, March 11.—Diplomatic exchanges between the American and Japanese governments concerning the status of the Pacific cable center of Yap have left the situation unchanged. Japan's reply to the protest against Japan control of the island sent by the Wilson administration is reported to have contained a reiteration of the Japanese claim to exclusive jurisdiction by the mandate from the supreme council. As to Japanese control of the former German cables centering the island, against which the American government particularly protested, Japan is said to adhere to the principle of free use of the cables by all persons but with operation and control remaining under the power in possession of the ends of the cables.

Say Question Not Urgent Japan holds that this arrangement exists in the case of the cable that runs from the American owned island of Guam, in the Pacific, to Yokohama, Japan. The American company which laid the cable, it claims, admitted the right of Japan to control the end landed in Japan with America controlling the end in Guam. The Japanese view also is understood to be that since direct cable communication between the United States and Asia by way of Guam and Manila already exists the line from Guam to Asia via Yap is only an indirect overflow connection unnecessary in ordinary times and that therefore settlement of the question of control is not urgent.

Meanwhile it is suggested that since the league of nations council has referred the American protest addressed to it to the allied nations, a reply may come from that quarter which may contain the germ of a basis for adjustment.

COMPLAIN OF RATES ON LIVESTOCK SHIPMENTS

National Livestock Association Attacks Rates Charged by Leading Roads on Livestock—Seek Investigation of Situation.

Washington, March 11.—The National Livestock Association announced today that it had filed with the interstate commerce commission complaint, directed against all leading railroads attacking the rates on ordinary livestock. A statement by Everett C. Brown, president, was made public asserting that reports had been received indicating the discouraging and disheartening effects of the present rate adjustment.

"I am convinced that many railroad executives recognize the imperative need of an early readjustment of their rates, and it is frequently said that present rates are, in many cases, more than the traffic will bear," the statement continued. "They will not voluntarily reduce these rates for fear of the far-reaching effect of such a precedent."

"The commission is charged with the duty of seeing that the railroads are honestly, efficiently and economically managed, before it shall permit the establishment of rates designed to yield a fair return upon value of railroad property. We hope to have a full investigation of this situation."

WAR DEGREES STILL FIGURE IN AWARDS

Cambridge, Mass., March 11.—War degrees still figure in academic awards at Harvard College. In the announcement today that the governing boards of the university have voted to grant degrees to 163 students at mid-year, it was stated that about half of the 87 men given the degree of AB were granted it with 25 per cent allowance "for honorable service in the war."

Award degree was conferred posthumously on Richard B. Vornum, 21, of Oakland, Calif.

EMIGRANTS WILL APPEAL TO HARDING

Danzig, March 11.—A large number of emigrants, whose passports the American consul refused to give, have decided at a meeting today to appeal to President Harding against the consul's decision, according to a Warsaw dispatch. There is a notable decrease in the number of immigrants trying to make their way to the United States since the difficulties of obtaining a visa recently have become greater.

ANNOUNCE EARNINGS OF DUPONT COMPANY Wilmington, Del., March 11.—Net earnings of \$15,058,022, and sales of \$93,983,291, are shown in the annual report for 1920 for E. I. du Pont de Nemours & Co., made public here tonight. These figures compare with sales of \$105,437,893 and net earnings of \$11,520,953 in 1919.

LAW AND ORDER WILL BE MAINTAINED AT ANY COST IN CHICAGO

City Council Offers Large Reward for Capture of Murderers

MUCH VIOLENCE IN RECENT ELECTION

(By The Associated Press) CHICAGO, March 11.—Declaring that law and order would be maintained and political assassinations prevented regardless of cost the city council today offered a \$10,000 reward for the capture or conviction of the slayers of the two men killed Monday as the result of a political feud in the nineteenth ward. The third man killed within a week, a ragged stranger whose body was found near the home of Alderman Powers yesterday, was identified today as William Willenstein, of Grand Rapids, Mich. It was believed he was slain as the result of the feud but police today declared it was probable that the motive was robbery.

Altho scores of persons have been arrested in connection with the death of Labriola and Raimondi, police declared that little progress had been made in clearing up the mystery surrounding the double assassination. The men were political lieutenants of Alderman Powers. Powers defeated Anthony D'Andrea in a recent election marked by bombings and much violence.

BENSON ASKED BY HARDING TO STILL REMAIN IN CHARGE

Chairman of Shipping Board Will Continue to Function

COMMENTS ON PRESIDENT'S LETTER

(By The Associated Press) WASHINGTON, March 11.—Chairman Benson of the shipping board was formally asked today by President Harding to "continue to function as the board was fully organized and accept your full authority, under the law."

President Harding's request was embodied in a letter sent to Mr. Benson after the cabinet meeting after which it was understood the president's attention was called to the board's decision as to whether necessary disbursements could be made in view of the expiration of March 4 of commissions held by the board members as recess appointments.

Chairman Benson had previously acquiesced in the president's intention of remaining in charge of the property of the board until such time as he should be relieved and had also asked Attorney General Daugherty for an opinion as to how far he might function in the light of the previous senate confirmation of his nomination under the original shipping act.

Comments on Letter. Commenting on the president's letter after he had made it public, Chairman Benson said: "I shall assume and act with full authority in everything necessary to carry on the functions of the board."

The chairman added that he would, however, do nothing that might embarrass the new board to be appointed by Mr. Harding. The president's letter was not taken as forecasting reappointment of Admiral Benson as head of the new board but was considered as a step to preclude any temporary embarrassment and to prevent a cessation of activities concerned with operation of the government owned merchant marine.

WOULD ABOLISH ALL THE WILSON BOARDS

WASHINGTON, March 11.—Speedy action on tariff and tax revision at the special session of congress was promised today by Chairman Penrose of the senate finance committee. He said the object of conferences arranged for Monday between Republicans, congressional committees and Secretary Mellon was to arrange a program "behind which all Republicans can put their shoulders."

If necessary, Senator Penrose said, it is planned to resort to caucus action to push thru the legislation. We cannot look for improved business said Senator Penrose, "until the tariff and internal revenue legislation are outlined and government extravagance stopped."

Urging less interference by the government in business Senator Penrose said he favored abolishing "all of the autocratic mushroom government boards—all the Wilson boards—which rose during the war."

ACCEPTS PROPOSALS. London, March 11.—The Lithuanian government has accepted the proposal drawn up by the council of the League of Nations, March 2, whereby Lithuania and Poland are to begin direct negotiations for settlement of their territorial dispute.

The meetings are to be held in Brussels.

TRIAL AT MATEWAN HAS ENTERED UPON THE FINAL STAGE

State Placed on Stand First Rebuttal Witness

DEFENSE INTRODUCED SENSATIONAL PAPER

(By The Associated Press) WILLIAMSON, W. Va., March 11.—The defense in the Matewan battle trial rested late today before court adjourned. The state had placed its first rebuttal witness on the stand. More than fifty witnesses were called to testify in behalf of the 17 defendants indicted on charges in connection with the death of Albert C. Felts, one of the 10 men killed. Counsel for the prosecution said tonight that it probably would take two or three days to complete the rebuttal testimony and two or three days more for arguments.

The most sensational offering of the day was documentary evidence taken from papers which the defense contended were found on the body of Felts. One was a memorandum dated May 13, 1920, which contained the suggestion that Sid Hatfield, chief of police of Matewan and a defendant, be employed by the Baldwin-Felts detective agency at a salary of from two to three hundred dollars per month.

Whatever arrangements were made "must be under cover," the document continued, "and have this understood with Hatfield, if you make a deal with him I think you should suggest some means of bringing about a controversy between him and the bunch which will look plausible and give him an opportunity of turning against them and telling them where to head in, because that is what we will expect if we make a deal. Now I do not want him to be neutral except during the interval before these misunderstandings and complications are brought about, and after that we will expect him to stand squarely behind us in all matters which will come up and let everybody know that he has become disgusted with the bunch and wants nothing more to do with them and brand them as crooked and declare himself with the other side when it comes to a showdown. However, we want to impress upon him the importance of not letting anyone know there is any arrangement between us."

Another document named the Baldwin-Felts operatives who were to be sent to Matewan. The Baldwin men shortly before the strike had evicted the families of striking miners from coal company houses.

BELFAST MAN DUCKED IN CANAL

(By The Associated Press) DUBLIN, March 11.—Pedestrians proceeding to their homes tonight witnessed a sensational incident at 6 o'clock when members of the Irish Republican army, who ducked James Magee, a salesman for a firm of Belfast drapers in the Grand canal, Magee was taken from his lodgings Thursday by Irish volunteers and taken to an unknown destination. He was held prisoner this evening when he was brought to the canal piloted in an automobile.

He was taken from the machine, dipped twice into the water and then tied to a post from which spectators later released him. The ducking is said to have been only one incident of the campaign of the Irish Republican army to tighten the trade boycott against Belfast.

BOY BORN AT SEA NAMED HARDING

New York, March 11.—The first boy born at sea and named for President Harding reached America today in the Steamer Santa Marta where he made his appearance inauguration day. He was accompanied by his parents, Mr. and Mrs. James Daugherty of Brooklyn who sailed from Colon March 3.

In Macon county officials are investing \$60,000 in road oil and still more may be expended. Some people there are questioning the wisdom of expending so large a sum for temporary road betterment. They are evidently forgetting that along with the oil there must be drainage, grading and drainage, which certainly tend to better road conditions. Then there is another fact that there is not much likelihood of an extensive mileage of hard roads for several years to come.

No better proof of the density of traffic and the carelessness of many car drivers could be furnished than is found in the action of an insurance company with reference to collision risks. This company, which does much of its business in a large eastern city, will now agree to pay not more than half of the damages resulting to an automobile in a collision. This provision should tend to lessen the carelessness and recklessness of car drivers, and no doubt that is the company's intention.

Only four more days remain for payment of income taxes and yet department officials say that not more than 60 per cent of the people who pay such taxes have not yet filed their schedules. Evidently there will be some "peak" days of business in the internal revenue offices from now until March 15, or else a vast number of people counted as subject to the tax have figured out enough losses or exemptions to put them in the non-payment class.

President Harding has named as comptroller of the currency a Marion banker not widely known. That fact carries with it no proof that he is not competent for this important position. Some of the best financiers that the country has known have been the products of banking institutions in the smaller cities. The new comptroller will not have the embarrassment of succeeding a popular man in office.

The public has become so accustomed in these recent years to talk about strikes and lockouts that they are often not as much alarmed as the facts and conditions really warrant. No doubt this is so in the present instance. With the possibility of a strike among packing house employees and with the still more serious possibility of a walkout affecting all the railroads of the country. But perhaps after all, it is just as well that the people go quietly along without being much disturbed over the situation, for it is something wherein they are powerless, altho in the end they must pay the bill resulting from any serious disturbance of business and industrial conditions.

THE RAILROAD CRISIS.
Men who study business and financial conditions agree that the industrial situation is the most baffling of the many which now confront the U. S. Underlying this whole situation as to wages and working conditions is the railroad problem. For months past the railroads have been going from bad to worse in their financial showings, notwithstanding wage increases authorized for freight and passenger departments. The railway officials charge that this is due to wage working agreements inherited from the time of the government's operation and further say that it will not be possible to operate the roads on fair earning basis until these agreements have been revised and unnecessary expenditures for labor eliminated.

The roads have not been able to secure the action they hoped for from the railroad wage board. Now they are taking the initiative and are announcing that present wage agreements will become non-effective at an early date. Thus a critical and tense wage working situation has been promulgated. It may mean trouble and a nationwide traffic mixup, but it may be the best thing to thus bring matters to a crisis so that the whole situation may be clarified. Certain it is that there can be no real satisfactory business situation until something like normal conditions again prevail in railroad work, wages and operation.

LAST DAY FOR CITY
BIG AUTO SHOW

Attendance Records Broken Friday Night—Exhibitors and Public Thoroughly Satisfied.

This will be the final day of the Jacksonville automobile show and merchants' exposition. Those who have been actively associated with the management of the big attraction can hardly realize that the week's period is so near the end. The days have slipped by rapidly with the interest so well maintained that everybody has been enthusiastic. The best proof of this enthusiasm was evidenced yesterday when merchants and manufacturers met, organized a permanent association and appointed a committee to co-operate with the committee appointed by the Jacksonville Automobile Association to arrange for the 1922 show.

Last night the attendance broke the previous high record and the throng was dense. Jacksonville's new band under the leadership of J. Bart Johnson presented another classy program which thoroughly delighted the exposition visitors. Both merchants and automotive men declare that the enterprise has been wholly successful. The attendance has exceeded expectations and enough business has been done to give ample proof of the soundness of the exposition plan.

A noticeable feature of the H. E. Wheeler battery exhibit are eight Willard batteries, one six and one twelve volt, which have been in constant service for almost six years. The only expense these batteries have ever been to their owners was for recharging. These are wood insulated. The new batteries are thread rubber and naturally much greater service is expected.

H. A. Walters, of the Illinois Oldsmobile Co., of Chicago, is assisting local dealer Claude during the auto show. Mr. Walters has just completed a round of the spring auto shows and says he is safe in declaring that Jacksonville is second to none and far superior to the usual run.

SURPRISE PARTY AT
LITERBERRY FRIDAY NIGHT

Mr. and Mrs. W. W. Young of Literberry were very pleasantly surprised Friday night when a large company of their friends went unannounced to their home. Altho taken completely by surprise the host and hostess proceeded to make their guests well and the evening was most enjoyable. Music and games made the hour pass very swiftly. During the evening excellent refreshments were served.

PROLIFIC SHEEP
W. E. Harney, who lives on a farm a short distance west of Murrayville, is the owner of a champion flock of sheep. There are 13 ewes, and just now they are the proud mothers of 25 lambs. Mr. Harney admits that this sounds like a pretty high figure, but there is no mistake in the number. Sheep can be found on this farm every year, as Mr. Harney has found the animals profitable.

WITNESSED GAMES.
Warren N. Luttrell, proprietor of the Franklin Times and Wilson Smith, who owns the Waverly Journal, were in Jacksonville yesterday to attend the basketball tournament and to cheer for the teams from their respective towns.

MEETING OF PAST NOBLE GRANDS
The members of the Past Noble Grand club were entertained last evening by Mrs. D. T. Heindrich and Mrs. Anna Baldwin, at the home of Mrs. Heindrich, on South East street. There was a regular business meeting held, after which the members enjoyed a social time with delicious refreshments served by the hostess.

Lecture at the same hour to women only in the auditorium, Rev. Linton.

FATHER MORONEY
DIES IN FLORIDA

Deceased One of Best Known Priests of Alton Diocese—Funeral Will Be Held Here.

A message was received in Jacksonville, yesterday, telling of the sudden death of Father David J. Moroney, at Coral Springs, Fla., presumably from heart disease. The deceased, for many years a well known Illinois Catholic priest was a brother of Mrs. John H. Cain, of this county. Father Moroney had been serving as pastor of the Catholic church at Carrollton and had taken a trip south for the benefit of his health. He was born in this city February 24, 1854, the son of Mr. and Mrs. John Moroney. Following a liberal education, thirty-nine years ago he was ordained a priest. He subsequently served churches in Alton, Charleston, Arcola, Marshall, Mt. Sterling and Carrollton, and was the dean of the Alton diocese.

Father Moroney was a man of fine attainments and the serious and earnestness that characterized his work gave him a large influence throughout the diocese.

The deceased is survived by two sisters, Mrs. Cain, of this county, and Miss Mollie Moroney, of Pana, and one brother, John T. Moroney, of Pana. The remains have been forwarded to this city and on their arrival taken to the undertaking rooms of John H. O'Donnell. Announcement as to funeral arrangements will be made later.

C. P. & ST. L. TO ADOPT
NEW WAGE SCALES

Notices Posted That Agreements Are to Become Non-Effective Soon.

Announcement has been made by General Manager W. C. Hurst, of the C. P. & St. L. railroad, of the intention of the road to annul existing agreements with employees. The bulletins have been posted in conspicuous places about the company property and forwarded to representatives of different organizations. The agreements under which work has been carried on were originally made during the war period, and it is the contention of the railroad that these schedules are not possible now because of the changed operating conditions.

The notices read as follows: Thirty days notice is hereby given that on April 9, 1921, all existing agreements and schedules covering working conditions on wage rates will terminate. This notice being in accordance with national agreement. The undersigned will enter into a conference for new working conditions and wage rates to be adjusted.

LEDGER INSTALLS
MAMMOTH INCUBATOR

Frank L. Ledger, of this city, has installed a mammoth incubator, which incubates thirty-two hundred eggs at one time. This is the very largest of its kind, the eggs being turned automatically. In addition to hatching eggs from his own pure bred stock, Mr. Ledger has arranged to secure eggs from pure bred "farmer flocks," and will hatch several varieties, probably also doing custom hatching for those having a quantity of eggs to be hatched.

REBEKAH LODGE RECEIVES
SIX NEW MEMBERS

A regular meeting of Jacksonville Rebekah lodge, No. 13, was held last night, when six members were initiated. The group included Irene Dover, Earl B. Gruber, Stella Gruber, Eleanor Ludwig, Martha Gruber and May Edmonds. There was a large attendance and the ceremony was impressively given. There were a number of out-of-town visitors and all greatly enjoyed the social hour which followed the initiatory exercises. Refreshments were served. A committee was appointed to arrange for a bazaar, which will be held March 19, in the Cully Coffee Co. store room.

CENTENARY REVIVAL

The revival services at Centenary church are still drawing large crowds. Special music is a feature of the meeting each night. Friday night a number of songs were sung, and a duet "Tis Jesus," by Mr. Linton and Mrs. Ransom, was a notable subject. "Son of man, can these homes live and I answered, O Lord God, thou knowest." His subject for tonight is, "My heart is fixed, O God." Eight converts were added to the list last night.

FUNERAL OF MRS. CULP

The funeral services for the late Mrs. H. C. Culp will be held this afternoon at 3 o'clock and interment will be in Diamond Grove cemetery. The remains reached Jacksonville yesterday from Topeka, Kans., and were taken to the undertaking rooms of John H. O'Donnell. Among those here to attend the funeral were Mrs. Kesmol Del and Miss Lydia Culp, of Kansas City, daughters of the deceased, and Mrs. Nicholson, of Decatur.

RIALTO THEATER SOLD

A bill of sale was placed on record yesterday showing the transfer of the furnishings and fixtures of the Rialto theater on East State street by A. Vollmer to T. H. and Dr. R. R. Buck-thorne.

MERCHANTS ORGANIZE
FOR NEXT YEAR'S SHOW

Rousing Meeting Held Friday to Outline Plans—Committee Named to Co-Operate With Auto Man.

A rousing meeting of the merchants and manufacturers having exhibits at the Automobile Dealers' Show and Manufacturers' Show, was held at the H. Z. Auto Inn, Friday morning at 10 o'clock. The meeting was called together by J. Bart Johnson, for the purpose of effecting a permanent organization with the idea of co-operating with the Automobile Dealers' and Merchants and Manufacturers' Show an annual affair.

It was the expression and belief of all those present that there is no better way of boosting for a bigger and better Jacksonville than annual shows of this kind, where it is possible to display and get in personal touch with thousands of people in a way not possible except at such events. T. M. Tomlinson was elected president, O. H. Wilder, secretary, and a committee appointed consisting of J. B. Johnson, R. W. Blucke and H. E. Wheeler, with J. Bart Johnson acting as chairman, to co-operate with the Automobile Dealers' Association, to make every effort possible to interest all other merchants and manufacturers and merchants not exhibiting this year in exhibiting in the 1922 show, which should be the biggest show in the state outside of Chicago.

The present show is a grand success in every way, and the merchants and manufacturing exhibitors feel that too much credit can not be given to Mr. Wilkinson, who has shown without a doubt that he knows his business; to Mr. Howard Zahn, who is ever willing to boost Jacksonville and Jacksonville industries, donating the space; and to the newspapers who have been such good boosters.

The following exhibitors were in attendance and offered their whole-hearted support for the making of an annual affair of the Automobile Dealers, Merchants and Manufacturers' Show, and it is their hope that each and every merchant and manufacturer will have an exhibit at the 1922 show:

- R. W. Blucke

BIRTHDAY SOCIAL AT
ALEXANDER CHURCH

About fifty were present at the March birthday social of the Willing Workers of the Alexander M. E. church held Friday afternoon at the church. The ladies whose birthdays occur during the month of March were hostesses. They were Mrs. Henry Young, Mrs. Margaret Colwell, Mrs. George Snyder and Miss Elizabeth Snyder. Various games and contests furnished the amusement of the afternoon, Mrs. Minnie Ludwig winning the prize in a clever guessing contest. Several musical numbers added materially to the pleasure of the occasion. Mrs. Lottie Strawn and Mrs. Lester Gray rendering piano solos and Miss Louise Beerup a vocal number.

At the close of the program there was a social hour and at this time the hostesses served delicious refreshments.

"Mase" Rowe, manager Prest-O-Lite Battery Branch Station in Winchester, was a visitor at the Auto Show Friday night.

The Original All-Record Phonograph Without Attachments

Such is The Brunswick, and part of its fame is due to this innovation. Until the coming of this noted instrument, most Phonograph owners had to be content with a one record instrument. Brunswick made this idea out of date.

There has been many attempts to equal The Brunswick, but devices and attachments never bring the desired result. The Ultona is part of The Brunswick inbuilt, and it plays every record at its best.

Another exclusive feature is The Brunswick Tone Amplifier, built entirely of wood; it has no cast metal throat, as is usual.

DON'T FUSS WITH MUSTARD PLASTERS

Musterole Works Without the Blister—Easier, Quicker

There's no sense in mixing a mess of mustard, flour and water when you can easily relieve pain, soreness or stiffness with a little clean, white Musterole.

Musterole is made of pure oil of mustard and other helpful ingredients combined in the form of the present white ointment. It takes the place of mustard plaster and will not blister. Musterole usually gives prompt relief from sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bitten feet, colds or the chest (it often prevents pneumonia).

BACK TO PRE-WAR PRICES
The Columbia Graphophone company has announced a radical readjustment in the prices of Columbia Gramophones. This is the first phonograph company to meet the present trend of prices, and many presage similar action on the part of other companies.

This readjustment is even more sweeping than appears at first sight. It has carried the average price of Columbia Gramophones below the pre-war level, and these prices are for models with all the latest improvements.

Officials of the company state that they are confident that this readjustment in the prices of their instruments, together with the recent restoration to pre-war prices of Columbia phonograph records, will give a great impetus to the sale of both. March has always been one of the biggest months for the sale of phonograph records, and the sale of instruments at the new prices is expected to increase steadily.

Have Pains?
Aches and pains seem to be the lot of the ordinary mortal. However, these should be taken simply as nature's warning signals that some part of the human machine is out of order. It is a mistake to resign one's self to physical torture when the cause can be removed.

Foley Kidney Pills
Tone up weak, inactive, sluggish kidneys and help rid the blood of poisonous waste matter that causes aches and pains in arms and legs, backache, rheumatic pains, sore muscles, stiff or swollen joints.

Isaac B. Turnman, Asbury Park, N.J., writes: "My back caused me a great deal of trouble for some time. I experienced sharp, shooting pains which were due to the condition of my kidneys. One bottle of Foley Kidney Pills completely relieved me. The pains left my back. I recommend Foley Kidney Pills to my friends."

Score of Nominations Sent
to Senate for Con-
firmation

ESCH TO SERVE ON
COMMERCE BOARD

By Associated Press.
WASHINGTON, March 11.—
Nearly a score of nominations
were sent by President Harding
today to the senate and a number
were confirmed. Only one day
probably remains for the senate
to take action on nominations
because of its expected adjourn-
ment tomorrow night. Thereafter
nominations to be effective be-
fore the special session of con-
gress next month will have to be
of a recess nature. Nominations
confirmed today were:

D. R. Crisinger, of Marion,
Ohio, to be comptroller of the
currency; Fred Morris Deering
of Missouri to be assistant sec-
retary of state; Elmer D. Ball, re-
appointed assistant secretary of
agriculture; William J. Keville
Boston to be United States
marshal for the District of
Massachusetts; William S. Cul-
bertson of Kansas, reappointed
to the tariff commission; Captain
Charles B. Macey, jr., to be chief
of the navy bureau of ordinance,
with the rank of rear-admiral,
and Ernest Lester Jones, of Vir-
ginia, reappointed as director of
the coast and geodetic survey.
Commerce Commission Nominees
Former Representative John J.

Esch, of Wisconsin and Mark W.
Potter of New York, were nomi-
nated to the interstate com-
merce commission and their
names were reported favorably
by the senate interstate com-
merce committee but final action
was not taken.
Col. Gustav Lukesh was nomi-
nated for membership on the
Mississippi River commission and
other service nominations includ-
ed Chaplain John Thomas Astor
to be chief of chaplains of the
army with the rank of Colonel
and Medical Director Edward K.
Stitt to be surgeon-general of
the navy. Smedley D. Butler,
Logan Feland, and Harry Lee
were renominated to their pre-
scent rank of brigadier general in
the marine corps.

Reappointment of Carl A.
Mapes of Albion, Mich., as solici-
tor of the bureau of internal re-
venue was recommended to the
president today by Attorney Gen-
eral Daugherty. Mr. Mapes, for-
merly an attorney in the bureau,
was appointed solicitor last No-
vember.

BELIEVES PRESIDENT
WILL AVERT STRIKE

CHICAGO, March 11.—Belief
that President Harding would find
a way to avert a strike of stock
yards workers was expressed to-
day by Dennis Lane, secretary of
the Amalgamated Order of Meat
Cutters and Butcher Workers,
when informed that the matter
had been brought before the pre-
sident at a cabinet meeting. There
was no let up in the preparations
for a possible strike, however, and
Mr. Lane reiterated his belief that
the men would vote to strike if
the wage cuts and change in work-
ing hours announced by the pack-
ers were put into effect.

FIVE YOUNG MEN
SENTENCED TO HANG

Dublin, March 11.—By the A.
P.—Five young men, Bernard
Ryan, Patrick Boyle, Thomas
Bryan, Frank Flood and Dermott
O'Sullivan, have been sentenced
to death by hanging by a court
martial, after conviction of high
treason in carrying on war against
the king. The trials were connect-
ed with the ambush at Drum-
condra in February.

The vicerey has commuted the
sentence of O'Sullivan, 17, to life
sentence, on account of his
youth.

WOODROW WILSON HAS
A PRIVATE DINNER

WASHINGTON, March 11.—
Woodrow Wilson rounded out
the first week of his return to
private life tonight with a private
dinner at which B. M. Baruch
of New York and Norman H. Da-
vis, former under-secretary of
state who has been retained in
the Harding administration as the
American member of the inter-
national communications confer-
ence, were guests.

It was to signalize Mr. Wil-
son's intention to keep in touch
with men and affairs.

Mr. Wilson, it is said is now
fully established in his new home
and has suffered no setback in
health. His principal household
difficulty, his friends report has
been to find room in his new
house for his library of some
eight thousand volumes.

Mr. Wilson spends some part
of every day dictating to a sten-
ographer attempting to dispose
of a very heavy correspondence
and with Mrs. Wilson frequently
takes motor drives in the after-
noon.

STATE DEPARTMENT
WITHHELD COMMENT

WASHINGTON, March 11.—
State department officials with-
held comment today on dis-
patches from Paris stating that
the French government had re-
ceived a letter from General
Obregon giving formal notice
that he had been elected presi-
dent of Mexico and intimating
this action was interpreted as a
move to secure recognition by
France of the Mexican govern-
ment. The state department here
has received no such letter from
General Obregon, it was said.

DEMAND APOLOGY
FROM JAPAN

Peking.—The Chinese govern-
ment has demanded an apology
and reparation from Japan for
the sinking last June of a Chi-
nese craft by fire from a Japa-
nese gunboat in the Amur river,
shortly after the Nikolaevisk mas-
sacre.

According to Chinese naval de-
partment reports, the Chinese
boat, manned by one naval offi-
cer, four marines in the Amur to
cut wood for fuel. On its return
at 3 o'clock in the afternoon, a
Japanese gunboat was sighted.
The Chinese craft dropped anchor
and ran up the Chinese flag.

The Japanese gunboat opened
fire and seven shots hit the hull.
The boat was partially submerg-
ed in shallow water and 34 work-
men were killed by gunfire or
drowned in efforts to get to
shore.

REGULAR MEETING OF

SIGMA PI SOCIETY
A regular meeting of the Sigma Pi literary society was held Friday night.

Instead of the usual declaimers, Clarence Weber, one of Freshman debating team, gave his speech for the Freshman debate.

Readers: W. Scott—"From a German Prison to Armistice"; C. Weber—"The Basinful Man"; Essayists, Shipley—"A Needed Reform."

Badger—"Politeness." Extremizers, H. Nelson, Adams and Fanning—Subject, "The Allies—German Situation in Europe." Subject for debate: Resolved, that the policy of the present administration in paying our \$25,000,000 debt to Colombia for Panama is justified.

Affirmative: Carter, Burrus. Negative—H. Green, T. Smith. Decision awarded to affirmative.

Merits awarded to negative. Mr. Enslay Moore, a resident of Jacksonville and an old Sig. vited the society and gave a very interesting talk.

Robert Shoemaker, ex-'20, also spoke to the society in his usual good humor.

The society was especially complimented by the presence and short talk of Prof. Poage, of the history department, who is now on leave of absence.

Prof. Moats, of the college, also made a short talk.

COUNTY FAIR PLANS
WELL UNDER WAY

Preliminary Organization Effected as Result of Action By Morgan County Breeders Association.

As the result of activity on the part of the Morgan County Breeders association it is the plan to have a Morgan county fair this year. While the organization work as not been fully completed affairs have moved along far enough to warrant the statement that an association will be formed strong enough to insure a fair program of which Morgan county will have reason to be proud.

In accordance with the present plan the association will be incorporated and operated under the laws of the state. Sept. 6, 7 and 8 have been chosen as the dates and it is the expectation that the south ground of Nichols park will be available as a site for the undertaking.

At a recent meeting 35 persons subscribed \$10 each as an initial fund and it is believed there will be no trouble in raising the additional money that will be necessary to finance the undertaking. Another meeting is to be held at an early date. In making preparations for the fair it is the intention to get pointers from other counties where fairs are held and also to co-operate with state authorities. The committee thus far appointed are:

Premiums—C. R. Gibson, Harold Joy and A. D. Arnold. Mules—J. L. Henry. Beef Cattle—C. L. Hawker. Dairy Cattle—L. T. Potter. Hogs—Howard Stevenson. Sheep—F. A. Seymour and Bert Way.

Poultry and Rabbits—D. T. Heimlich.

Farm Products—C. A. Rowe. Domestic Science Department—Bread and Butter—Mrs. W. M. Rees.

Cakes and Cookies—Mrs. L. A. Reed.

Fruits and Vegetables—Mrs. W. S. Jones.

Fancy Work and Sewing—Mrs. Harry Strang.

Finances—V. R. Riley, C. S. Black and S. J. Camm.

Grounds and Arrangements—S. H. McDewitt, T. H. Buckthorpe, and C. H. Gibbs.

Advertising—H. E. Kitzer, G. H. Kopperl and C. M. Strawn.

Horses—J. W. Arnold.

CHERRY TO DISTRIBUTE

A. C. SPARK PLUGS

A. G. Neubauer, supervisor of merchandising crews for the Champion Ignition company, of Flint, Mich., is in the city attending the auto show and merchants' exposition and is making headquarters at the booth of the Cherry Service Station at the auto show, and incidentally has arranged with the Cherry Station, thru Ralph Withee, manager, to act as jobbers in this territory for the "A. C." plug.

In conversation with Mr. Neubauer he stated that he had been attending all automobile shows from Ohio west, and that without any exaggeration whatever Jacksonville's exposition was equal to any from the largest to the smallest, that no where had he encountered such keen interest on the part of both exhibitors and public nor such hearty co-operation and evident friendliness.

In speaking of spark plugs Mr. Neubauer stated that of thirty-one different makes of cars shown here twenty-seven were equipped at the factory with the "A. C." plug. The Champion Ignition company's daily output is 300,000 plugs daily and in number of employs ranks second to the Buick company at Flint. This company has experienced no period of trade dullness nor has it any time laid off any of its men.

Mr. Neubauer states that his company is spending \$3,000,000 annually in advertising and that this season has greatly increased this appropriation to include daily papers, having found that the great percentage of car users live in towns of 15,000 population or less and that to obtain proper distribution they must use the smaller town dailies. An educational campaign in the dailies will be started soon directed particularly to the care of plugs.

HELPING CLASS OF
HEBRON CHURCH MEETS

Mrs. Frank Hunter entertained the Helping Class of Hebron church Wednesday afternoon. A large attendance of members and a number of guests were present. The devotional services were led by Mrs. Albert Hopper. Mrs. Eugene Hart read an excellent paper on "What the Methodist Churches are doing for the Near East Relief Fund."

At this meeting it was decided to meet promptly at 2:30 o'clock for each meeting. After the business session came a social hour, when delicious refreshments were served. The class adjourned to meet March 24th at the home of Mrs. Chester Wilson.

LITTLE TIRES MADE
FINE SOUVENIRS

The "Little Tire" given away this week at the auto show by the Cherry Service Station made a big hit with old and young and the supply was exhausted Friday morning. Ralph Withee, manager, states they will have in another shipment next Thursday which will be given to callers at the service station on North Main street.

A. P. Eads, vice president and general manager of the Collins Plow Co., of Quincy, visited the Jacksonville Farm Supply Co. and Auto Show Friday. Mr. Eads stated that this show is far superior to the one held in Quincy. He also stated that the H. Z. Auto Inn is the finest and largest garage outside Chicago.

Social Events

Surprise Party

For Mr. Lewis.
Charles Lewis was honored Thursday night at a surprise party, planned for him by Mrs. Lewis. About twenty-five of Mr. Lewis' friends came to his home and helped him celebrate his birthday. Games of various kinds and music helped to pass a most enjoyable evening. The hostess served excellent refreshments during the evening.

Mrs. Alves Entertains
B. B. Club.
The B. B. club met this afternoon with Mrs. Clifford Alves on Diamond Court. The meeting was in honor of Mrs. John Sevier of Waverly who is a guest of Mrs. D. Houston Cowgour one of the members of the club. The afternoon was spent in games and various amusements which was followed by delicious refreshments served by the hostess.

Farewell Party for
Mr. and Mrs. Breckon.
Mr. and Mrs. Paul Breckon were the honor guests at a farewell party given last night by Mr. and Mrs. F. R. Butterfield at their home on South Church street. Mr. and Mrs. Breckon are soon to go to Wisconsin to make their home. Several intimate friends were guests at an informal six o'clock dinner. The evening was delightfully spent playing cards.

Mrs. F. A. Jones
Given Linen Rush.
Miss Alma Peters and Miss Eleanor Ealey gave a linen rush Thursday evening for Mrs. F. A. Jones at the home of Mrs. Bert Smith on North Prairie street. Mrs. Jones was recently married and is to make her home in Oakland, California. She plans to leave next Wednesday for her new home.

Fifteen of her friends were present at the affair and the guest of honor was the recipient of many lovely gifts. The guests spent a most pleasant evening with music, games and dancing and delightful refreshments were served during the evening.

South Side Circle Met.
Mrs. E. L. Fletcher was hostess to the South Side circle yesterday afternoon at her home on West College avenue. Mrs. William B. McIntyre gave a very interesting and comprehensive paper on "China's New Day."

The subject was the topic of discussion in which the members took part after the paper. Afternoon tea was served during the social hour which followed.

ROTARIANS HAD GREAT
PROGRAM FRIDAY

Allen McQuhae, Famous Irish Tenor, Sang Group of Songs—Dr. Hieronymus Emphasized Value of Right Community Spirit.

Rotarians at their weekly luncheon at the Pacific hotel Friday had great pleasure in the presence of Allen McQuhae, Irish tenor, and Dr. E. Hieronymus of the faculty of the University of Illinois. Mr. McQuhae not only sang a group of songs but also spoke briefly when an opportunity was given for emphasizing the debt of Americans to soldiers disabled in the world war. When President Pontius introduced the singer he sketched briefly the fact of his eventual career. He was born in Ireland, later became a citizen of the U. S., enlisted in the war, was thrice wounded and once gassed. His injuries were such that the broken soldier really thought that all chances of recovering his voice were gone. But science and a fine constitution brought wonderful results and the voice "came back" with perhaps more feeling and quality in it than in the pre-war days.

Certain it is that Mr. McQuhae sings with wonderful expression and those in the Rotary audience yesterday as they saw and heard him were able to understand just what is meant by his wonderful interpretative ability. Some orators and conversationalists have such an intensity of interest in what they are saying that the facial expression adds much to his force. It is so with Mr. McQuhae as singing and the fitness of his voice is supplemented in a wonderful way by the flash of the eye and the expressiveness of the face.

The program given was: "Crying of Water"—Tipton. "Kitty O'Toole"—Prothro. "Tumble Down Shack in Atlanta"—Kennedy Russell.

Mr. McQuhae's accompaniments were played by Ralph Douglas, who well meets the difficult requirements in this work.

In his address Dr. Hieronymus took for his theme "The Community and the State." He presented a very strong argument for the right community spirit declaring that the atmosphere of the cities, towns and the countryside is really just what the community spirit makes it. So this thing of community spirit is a basic consideration, and as people come into a thorough understanding of their interdependence and relationships—as some ideals of service are realized—then it is that the community spirit is developed into what it should be.

Willis J. Spaulding, city commissioner of Springfield, was also a Friday guest and spoke just for a moment or two at the conclusion of the program. Mr. Spaulding said that on his visit to Jacksonville he found much in which citizens might well take pride.

Mr. and Mrs. A. F. Robinson, Mr. and Mrs. John Davis, of Jersey county, were visitors at the auto show Friday.

MRS. A. B. GREEN'S LONG
LIFE JOURNEY CLOSED

Deceased Recently Observed Sixtieth Wedding Anniversary—Death Summons Mrs. Samuel Wilcox of Alexander.

The death of Mrs. A. B. Green occurred at 6:30 o'clock Friday night at her home in South Jacksonville. Death resulted after a four days illness from pneumonia. Mrs. Green's maiden name was Mary J. Rector and she was a daughter of Mr. and Mrs. James Rector, early residents of Morgan county. She was born April 17, 1841, at the Rector homestead just a short distance east of Jacksonville on the Vandalla road.

The marriage of the deceased to Austin Green was solemnized Feb. 12, 1861. Their home was established on a farm in the Asbury neighborhood and there they continued to live for fifty-six years, when Mr. and Mrs. Green became residents of South Jacksonville.

Mrs. Green is survived by her husband, together with seven children, Mrs. E. M. Anderson, Waverly; E. Clifton Green, Gering, Neb.; James M. Green, Whittier, Cal.; Elmer A. Green, Modesto, Mo.; W. T. Craig, Woodson; Miss Minnie R. Green at home and Clark L. Green of this city. The deceased also leaves one brother and one sister, Mrs. Truman Taylor of Santa Fe, Cal., and James V. Rector of Assumption. The last mentioned together with E. Clifton Green were summoned on account of Mrs. Green's serious condition.

To spend sixty years of married life is an unusual record, and many are those who can testify to the hospitality of the Green home thru all those years. The deceased maintained a fine spirit of service thru all her life and was never happier than when she was doing courteous and kindly acts for relatives and friends. Mrs. Green has long been a member of Central Christian church and her religious belief was apparent in her daily life.

Arrangements for the funeral have not yet been completed.

Wilcox
Mrs. Samuel Wilcox died at 7:30 o'clock Friday night at Our Savior's hospital, following an illness of several weeks and a serious surgical operation.

The deceased was 56 years of age and her maiden name was Eleanor Anthony, the family being well known in the eastern part of the county. Mrs. Wilcox had spent practically all of her life in the Alexander neighborhood and was a woman who had the good opinion of those who knew her best and so could appreciate the strength of her character.

The deceased had been for a number of years a faithful member of the Methodist church. She is survived by her husband and one daughter, Mrs. Una Kumie. Arrangements for the funeral have not yet been completed.

Coonan.
The infant daughter of Mr. and Mrs. John Coonan died at Our Savior's hospital Wednesday afternoon. She is survived by the father and mother and twin sister. The remains were taken to O'Donnell's undertaking parlors and interment was made in Calvary cemetery Thursday.

Iglehart.
The death of Mrs. Christine Iglehart took place at Passavant hospital at 5 o'clock Friday morning following an extended illness. The deceased was brought here recently from Detroit, Mich., in the hope that hospital care might result in her improvement. However, her condition was such that the chances were at no time favorable for recovery.

Mrs. Iglehart was the daughter of Mr. and Mrs. William B. Tomlinson and she was born in Effingham on Dec. 17, 1893. Most of her life was spent in the city of her birth and it was there she became the wife of Louis H. Iglehart.

The deceased is survived by her husband and three children, Mary Ella, Wilpam and Ethel Belle. She leaves also one sister and two brothers, Mrs. Fred Natsch of DeKalb, and Jack and William Tomlinson of Effingham.

The deceased was ever interested in her home and welfare of her many friends and was a spirit of self-sacrifice marked her life and her character was such that she had the good opinion of all who knew her.

The funeral will be held at 2:30 o'clock Sunday afternoon at the Gillham funeral home with services in charge of Rev. M. L. Pontius. Interment will be in Diamond Grove cemetery.

ADDRESSED STUDENTS
Dr. A. S. Smith, of Mount Pleasant, Iowa, was in the city yesterday. Dr. Smith is the president of Iowa Wesleyan, at Mount Pleasant. He addressed the Woman's College students at yesterday morning chapel, on the subject of "Success." The speaker gave a very forceful as well as interesting talk. The essentials of success, Dr. Smith said, are reverence, mastery of self and service to one's fellow men.

PISGAH PRESBYTERIAN CHURCH
Services will be held this next Sunday. Sunday school at 2:00 o'clock in the afternoon and preaching services at 3:00 o'clock, when Dr. Thomas W. Smith will preach. A large attendance is urged, in order that the plans for the spring work may be perfected and the community be better ministered to.

Mr. and Mrs. Alfred T. Capps have issued invitations for an evening company to be given Thursday, March 17, at their home, 504 North Church street, in honor of Mr. and Mrs. Robert M. Capps.

MANY AUTOMOBILES
IN THIS COUNTY

Figures For 1920 issued by Secretary of State Show Big Gain in Automobile Population.

The receipts for fees in the automobile department, Louis L. Emmerson, secretary of state, for the year 1920 were \$5,893,586.02. This shows a great increase over the year of 1919, when the total receipts were \$3,262,176.57.

A table of comparative figures issued from the office of Mr. Emmerson shows that Morgan county is high in the number of automobiles, with an increase of several hundred cars in the year 1920. Figures of the state show that 3,692 cars were licensed in Morgan county in 1920. This meant an expenditure of \$36,908.

In 1919, this county had 3,153 automobiles, and the license fees then amounted to \$20,111.24.

The following automobile figures for 1920 of nearby counties are of general interest:

Cass county, 2,389 cars; Greene, 1,891 cars; Pike, 2,175 cars; Sangamon, 11,511 cars; Scott, 1,189 cars; Macoupin, 4,018 cars; Menard, 1,707.

S. T. ZACHARY HAD
CLOSING OUT SALE

Good Attendance and Satisfactory Prices Marked Sale Near Orleans Friday Afternoon—Some of the Sales.

S. T. Zachary held a closing out sale of livestock and farm implements at his farm two miles south of Orleans Friday. Mr. Zachary has rented his farm and will go south in the early fall. Upon his return he expects to reside in Jacksonville. There was a good attendance and satisfactory prices prevailed. F. A. Seymour was the auctioneer while Paul B. Scott served as clerk. The Willing Workers of the Pisgah Presbyterian church served lunch. The total proceeds amounted to over \$1400. A few detailed buyers and prices follow:

INSURE TRIPLETS
Wm. Knastrup was in Chandlerville this week and while there he sold Clover Leaf Life Insurance to Mr. and Mrs. Ernest Garner for their three little children, who are triplets. The children, Robert, Roberta and Robertine, will be four years old in April. Many Jacksonville people will doubtless remember reading something in the Journal about the triplets several years ago. Having their lives insured brings them into the limelight again.

FARM BUREAU NOTES
The Dairy Cattle Committee had a meeting Friday afternoon. The purpose of the meeting was to discuss plans for the Dairy Cattle Committee part in the live stock show, which is to be held here next fall.
